# Welcome

**O**ur gorgeous 350 year old racecourse has certainly seen its fair share of celebrations through the years, playing host to a myriad of glittering balls, parties, and of course, weddings. Why not become part of the story?

With its well appointed rooms set in the beautiful surroundings of the Westwood, you couldn't find a more unique venue for your big day.

From the ceremony to the evening party, we'll take care of everything so you can relax and enjoy one of the most memorable days of your life.

# *Our rooms.*

**W**hether it's an intimate occasion you're looking for, or something a little grander, we've a beautiful room to suit. We're also fully licensed, meaning you can hold your whole wedding here, from ceremony to party.

## **Intimate Weddings**

The combination of our Orchid and Paddock Suites, with their stunning views of Beverley offers you the option of holding your ceremony, wedding breakfast and evening do all in the comfort of the same area.

## **1690 & The Laurent-Perrier Rooms**

A option for those who like their surroundings to be a little different; the newly decorated 1690 and Terrace rooms feature reclaimed Carousel horses mounted high on the walls and a unique Laurent Perrier Champagne bar. Great for the summer months and a drink on the sun-drenched terraces outside.

## **The Attraction Restaurant**

Our most popular room, the elegant Attraction Restaurant overlooks the racecourse and the Westwood and can seat over 200, including a dance floor.

## **Larger Celebrations**

Looking to hold a larger celebration? No problem; the centre of our course lends itself perfectly to become the setting of your marquee wedding. Choose from one of our beautiful marquees, or you might like to do something a little different and try a tipi wedding.

## Dining.

What wedding would be complete without the all-important feast? Our award winning catering partners CGC Events have been delighting our wedding guests for years. All fresh produce is sourced locally and menus change with the season so you're sure to enjoy the best Yorkshire has to offer.
