2025

Heart & Soul

Beverley Racecourse first opened its doors in 1690, and countless thousands through the years have enjoyed a day's racing at the iconic Westwood track ever since, allowing for a short break as an airbase during the war, when the track's famous uphill finish actually became a runway.

Beverley Racecourse has 19 fixtures in 2025 and race from April to September. From a traditional afternoon to a Summer evening on the Westwood we have something for everyone. Our theme racedays are really popular, why not join us to celebrate our famous Ladies Day presented by Porsche Centre Hull

Whether you want to sip champagne in the stylish Premier enclosure or enjoy a picnic right in the heart of the action, whoever you bring along, you'll have a hugely enjoyable day out.

We have superb hospitality rooms where you will be wined, dined and seated high above the raceday crowds. Whatever you choose, we hope to see you soon!

Choose from our *packages*

If you want to make your day at the races really special, try one of our hospitality options.

These allow you and your guests to spend the meeting in the comfort and privacy of one of our luxurious suites, enjoying excellent food and drink, and letting us wait on you hand and foot.

All suites are beautifully furnished and set up exclusively for your party. You will enjoy unrivalled views across the racecourse and Westwood with your own balcony looking down onto the action. Inside, flatscreen TVs show coverage of the racing so you need not miss a thing.

Hospitality badges for each guest allow access to the Premier and Grandstand and Paddock Enclosure. Or stay in the comfort of your suite.

There is a range of delicious packages to choose from. Our food is locally sourced and prepared on site by our award-winning caterers CGC Events.

We can offer you three individual packages and can cater for parties of 10 – 250 guests.
